

The Observer Corp will be having their next meeting in October. October 23 at 7 PM and October 26 at 1 PM. We had several people drop out because of the time needed. I would like to recruit more individuals to share the load especially for city council meetings

The following is a list of current observers :

- Rivko Knox      Clean Elections Commission

- **Mary Schneider**      **Central Arizona Water Conservation District (CAP)**

The Commission would like to maintain the non-political governance of Arizona water policy. I will continue to monitor any outcomes from the Governor's process

- **Joan Power**      **Maricopa County Elections/Citizen Academy** : currently inactive, taking on leadership role with the Green Party

- Bill Poole      Arizona Corporation Commission  
Not sure if he is active : never responds to meeting notices, phone calls, emails, etc

-**Deb Gain-Bradley**      **Tempe City Council**  
No recent reports

- Nancy BellGlendale City Council  
Routine city council business, public comments on Sept 26 regarding unfair treatment of Hispanic members of the community by police.

- **Denise Sanderson Phoenix City Council** – Need to recruit individuals to help her. Only willing to do 1 meeting a month at most

- Jana Lynn GranilloMaricopa Integrated Health System  
Jana is our most active member . She does want to run for Maricopa Integrated Health System Board at next election. So has a vested interest. Rivko is posting her updates
