Voters with Disabilities

Accessible Polling Places: All polling locations and vote centers have been chosen with special needs voters in mind. Each location will provide handicap parking and be able to accommodate individuals in wheelchairs, as well as, individuals with visual or hearing impairments. Oftentimes a temporary modification will be made to the polling location providing easier accessibility for the voter.

Accessible Voting Systems: All polling locations and vote centers must have an accessible voting device for use by voters with disabilities. In addition to the accessible voting devices, each polling location will have magnifying instruments, large print versions of the publicity pamphlets and trained poll workers who are ready to assist you.

Curbside Voting: Voters who are unable to enter the polling location or voting center may ask that a ballot be brought to them by an election poll worker.
