

## Your LWV for LIFE Interview

While LWV Metro Phoenix has had great growth in the last few years, LWV Metro Phoenix values the contributions of all our elder members. So many LIFE members who have served our League and our community for 30, 40, 50 years or more! Skeet Blakeslee's daughter Care Lengel and Dee Sirkis's daughter Judy Sirkis want to honor your efforts, benefit from your insights and experience, and be inspired by your wisdom. So please share your story with them!
